

## Leisure Lists!

Equipment Needed: Paper, Pens, Timer, Alphabet on slips of paper to draw from in a paper bag.

Objective: Leisure awareness, concentration, critical thinking.

Description: This activity can be done individually or in teams. Have the group break into teams. Each team should elect a recorder for the group. Make sure teams are prepped with a pencil and paper. Set a time for 1, 2 or 3 minutes (depending on group ability). Have someone pull a letter. Once a letter is pulled and announced to the group, start the timer. The group must come up with as many leisure activities that begin with that letter in the allotted time. The team with the most leisure activities per letter wins the round.
